"The Climax of the High School Year"

President's Welcome

Again it is my pleasure and privilege to welcome the contestants and guests to the annual Interscholastic Week activities. Montana State University, its students and faculty, are delighted to have you here and hope you will come back to us again, either as participants in future Interscholastics, or as high school graduates intent on continuing your education in a Montana school.

We wish it were possible for each of you to carry away an emblem of victory. It is more important, however, that you gain from your Interscholastic Week experience a sense of accomplishment at having expended your best efforts regardless of outcome.

Among your welcomers on this campus you will find many participants and winners in past Interscholastic events. They are here not only to perfect the talents they manifested in their pre-college days, but to prepare themselves further for responsible citizenship and successful futures in the careers of their choice. We hope you will consider seriously following in their footsteps.

JAMES A. McCAIN,
President.

All-University Night

JULIUS WUERTHNER, JR., Director

The program for All-University Night has been arranged for the express purpose of giving the high school visitors to the State University campus an opportunity to see, during their crowded hours of participation, as much of the University as possible.

You are therefore cordially invited to join the Spur Tours, which will leave the steps of the Student Union Building at 4:30 p.m. Thursday, after the track and field meet program for that day has concluded. The Spurs will conduct their parties to the various points of interest on the campus and in the buildings.

The tours will be completed by 5:45 p.m., at which time all contestants, coaches and chaperones will be guests of the Interscholastic Committee at an "Inside Picnic Supper" in the Gold Room of the Student Union Building. A brief program featuring a talk by President James A. McCain has been arranged.

After the supper, contestants, visitors and townspeople are invited to attend the annual Interscholastic SOS in front of Main Hall. New members of Silent Sentinel and Mortar Board, men's and women's senior honorary societies, will be announced at this ceremony.

The entertainment highlight of Interscholastic Week will take place at 8:15 p.m., after SOS, when Sigmund Romberg's "Desert Song," employing a cast of more than 100 University students, will be presented with the compliments of the Interscholastic Committee. Your contestant's badge will admit you free.

After the "Desert Song" you are invited to the trackmeet dance in the Gold Room of the Student Union building.

Track and Field Events

Loren Perry, Great Falls, who was the only record-breaker of the 1947 Interscholastic track and field meet. A Bison senior this year, Perry will be competing for his last time in the Interscholastic. He holds the Montana records in the shot-put and discus. He comes to the 1948 Interscholastic determined to break his own records in both events.
